

Complimentary Continuing Education Webinar

Join us for a FREE webinar that offers one (1) hour of continuing education credit for the following California Professionals: RCFE Administrators, licensed RNs and LVNS, LMFTs, LCSWs, LEPs, LPCCs and CLFPS.

Requirements for CE Credit: Participants must attend for a minimum of 60 minutes, have access to both audio and visual elements, respond to poll questions during the webinar, and return the completed course evaluation.

COMMUNICATING THROUGH THE STAGES OF DEMENTIA

TUESDAY, OCTOBER 8, 2024 11:30AM PST - 12:30PM PST

As a person progresses through the stages of dementia, their ability to communicate changes, requiring the care giver to modify their approach. This presentation provides an in-depth look at effective communication strategies tailored to each stage of dementia. Participants will learn about the progression of dementia and how cognitive changes impact communication abilities. The course will offer practical techniques for maintaining meaningful interactions, reducing frustration, and enhancing the quality of life for both patients and caregivers.

At the completion of the course, participants will be able to:

1. Gain a comprehensive understanding of how cognitive changes affect communication abilities
2. Apply effective communication strategies tailored to each stage of dementia, focusing on maintaining meaningful interaction and reducing frustration
3. Explore ways to enhance the quality of life for patients and caregivers through empathetic, patient, and understanding communication practices.
