

RIGHTS-BASED DEMENTIA CARE

Special Webinar Presentation

September 25th, 2024 | 11:00 am PST
ONLINE VIA ZOOM

Join us for an insightful session exploring the principles of rights-based dementia care. This webinar is designed for professionals and family caregivers, focusing on how to provide care that respects the rights, dignity, and autonomy of individuals living with dementia. Learn practical strategies and gain a deeper understanding of how to balance person-centered care with legal and ethical considerations

Jennifer Carson, PhD
Clinical Associate Professor and
Founding Director of the Dementia
Engagement, Education, and Research
(DEER) Program in the School of Public
Health at the University of Nevada, Reno
(UNR).
