All proceeds benefit **Alzheimer's**
ORANGE COUNTY

Tax ID 95-3702013

DEAR SPONSORS AND GOLFERS,

We invite you to join us for the 11th Annual Golf Fore Alzheimer's Tournament. Over the past decade, your incredible support has helped us raise nearly \$900,000 for Alzheimer's Orange County (AlzOC). This year, we have set an ambitious goal to surpass one million dollars, and we believe, with your help, we can achieve it.

Alzheimer's disease impacts many families in our community. Currently, 164,346 residents in Orange County are living with dementia or mild cognitive impairment (MCI). AlzOC is dedicated to providing essential services at no cost, and your sponsorship ensures these vital resources continue to reach those in need

In 2023 alone, AlzOC made a significant impact by:

- Helping 34,483 people access local resources and tailored support.
- Offering helpline and care consultations to 5,268 individuals.
- Educating 10,417 caregivers, healthcare professionals, and community members through various programs.
- Hosting support groups attended by 2,736 people.
- Providing early memory loss support to 542 participants.

Why so many oranges?

This year's theme celebrates our home—Orange County! As a fully independent nonprofit founded here in 1982, we're honoring our community and the place we serve. 100% of funds raised stay right here in Orange County.

Your sponsorship will not only help us achieve our fundraising goal but also enable AlzOC to expand its reach and continue providing these critical services. Together, we can drive change and offer hope to countless families.

Thank you for being a part of this important mission. We look forward to your participation and support.

Best Wishes,

Yvette Kelley
Robert Ortega

Golf Tournament Co-chairs
